ALWAYS BE ON THE SAFER SIDE

WINTER JACKET CATALOGUE 2027

ABOUT US

Border Safety Wears is a globally trusted safety solutions brand with a strong and expanding presence across the GCC region. We deliver premium personal protective equipment that meets and exceeds international safety standards, setting benchmarks for reliability and performance across high-risk industries.

Our comprehensive product portfolio includes industrial coveralls, safety footwear, helmets, gloves, eyewear, reflective vests, fire protection equipment, fencing systems, and traffic safety solutions. Each product undergoes rigorous quality checks to ensure durability, compliance, and consistent performance in demanding environments.

Engineered using superior materials and precision manufacturing, Border products are designed to provide exceptional comfort while delivering 360-degree protection when safety is non-negotiable.

Guided by a safety-first philosophy, we are committed to protecting lives and assets across the construction, infrastructure, oil & gas, and industrial sectors. Our unwavering commitment to quality has earned the trust of leading corporate clients across the GCC.
